

### Head Teacher message

What a great week and a half it has been! I have been amazed at how well the children have all settled back into Hollington after the summer break. There has been a real buzz this week as the children have progressed with their learning around the brain. Please ask them what new facts they have learnt this week as the children have been telling me lots of things they now know that they didn't know at the start of the week.

As ever, if we can help in any way please do get in touch. #strongertogether.

### PE Coach

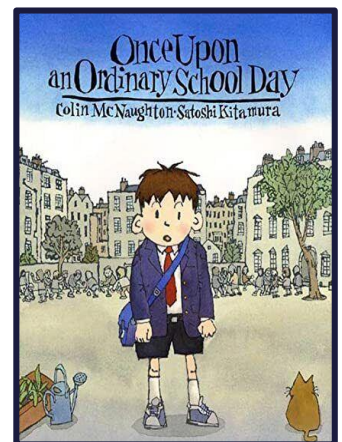

I am delighted to announce that last week we successfully appointed a sports coach Mr Wishart. He will teach every class PE once a week and will also be running lunchtime and after school clubs in the near future.

If you missed the letter this week children are able to come into school on their PE days in their PE kit. This means that children will not lose PE time having to get changed at the start and end of their lesson.

Please make sure children have plain black shorts a plain white t-shirt and black plimsolls. They must wear their school jumper

### Gates

I know there has been some confusion around gates. While nursery parents are still settling children in Beauchamp gate and Hollington Old Lane will stay open until 9.15am

### Phonic Workshop

On Monday 2<sup>nd</sup> October we will be holding a Little Wandle Phonics parent meeting from 9.00am – 9.45am. If you would like to come and find out more about our new phonic scheme please pop in and meet Mrs Hepworth our Phonic Lead for The Pioneer Academy.

### Reading Records

Your child should have received their home reading record this week. It is really important children read as often as they can at home. When they do read to you please sign their books to show they have read.

#EXPLORE #NURTURE #GROW

15<sup>th</sup> March 2023

### Tesco 'Stronger Starts'

If you have been shopping in Tesco over the last couple of months you might have been lucky enough to pick up a blue token and add it to the 'Hollington Primary School' box to win money for PE equipment. Today we received some exciting news that on Saturday 23<sup>rd</sup> September between 12-1pm there will be 100 tokens in a bag and one of those tokens will be gold. Whoever picks the gold token gets to decide out of the 3 schools who are in the final 3 who should win the grand prize of £5000. We would love as many parents to come down and not only support Hollington Primary School but to also try and pick that 'Golden Token' so we can spend £5000 on PE equipment for your children.

TESCO

### Class Dojo

Class Dojo is coming back. It is a great way to see what your children are doing in school and a great way to communicate. Children will also be able to receive Dojo points linked to their class behaviour triangle. If you are not signed up please look out for an email next week. All classes will be up and running by the end of next week.

### Wrap around care

Did you know we have our own breakfast clubs and after school clubs? – both are very competitively priced and both are run by familiar school staff. Please ask on the gate or at the office for further information.

### Parking in Hollington Old Lane

We have received some complaints from residents in Hollington Old Lane about parents parking in their bays. Please could you be mindful of our neighbours when using Hollington Old Lane. Please also be aware that emergency vehicles may need to use the Lane and at present they would not be able to get through due to the amount of cars in the Lane.
