

### Head Teacher message

What a great week it has been! The children have been working really hard completing their exit points for their 'Brainwaves' topic and some have had an amazing entry point into their next topic. Ask your child what their new topic is as they will all be starting them next week. It has been so lovely to see how much the children are enjoying their new IPC Curriculum topics.

As ever, if we can help in any way please do get in touch. #strongertogether.

### Tesco 'Stronger Starts'

We are delighted to announce that last Saturday Hollington was chosen by a Tesco shopper to win the Grand Prize of £5000. It was a very exciting morning in Tesco and we are so grateful to be chosen. Thank you Tesco for an amazing gift and thank you to everyone who came and supported us. Over the next few weeks each class will be deciding who their school council members will be and their first job will be to look at what children want on the playground and what we will be spending the money on.
